From the desk of Principal

It gives me immense pleasure to inform that Kendriya Vidyalaya Bhurkunda (Primary Section) is going to publish its E-Magazine for the session 2021-22. It is meant for bringing out the hidden talents of students and teachers of our Vidyalaya.

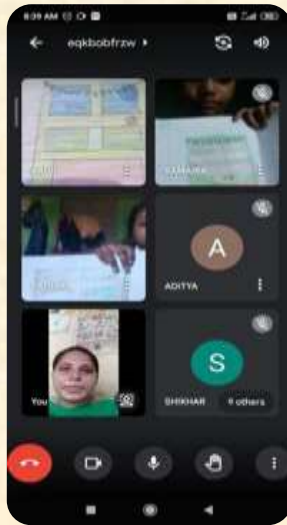

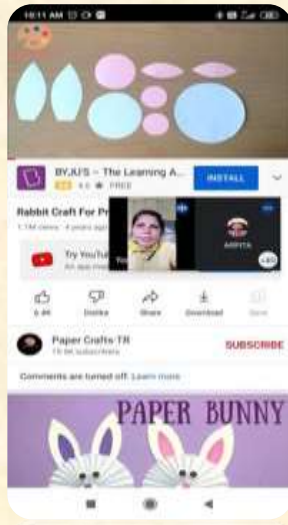

We are sure this magazine will help to acquire knowledge and skills, build character and enhance employability of young talented minds to become globally competent. The all-round development of students is of paramount importance and our most cherished motto as it will help them to empower better India through education.

It is indeed a matter of great pride that our Vidyalaya has made an outstanding progress in academics, co-curricular and extra-curricular activities. I congratulate all the contributors and the editorial board for bringing out such an outstanding magazine.

Wishing you the best for scaling bigger success and achieving newer heights in the coming days.
